

Fort Wayne, IN

G

New York Spectator  
Mar. 14, 1812

From a letter just recieved from Fort Wayne, it appears that the great shocks of the 16th Dec. the 23d Jan. and the 7th inst. with many of the minor ones, were felt at that post. Those of the 16th Dec. were likewise experienced at Fort Dearborne, near the southern end of Lake Michigan.
